

THERMAL COPIER

A4 Model

Machine Specifications

	A4
Nominal voltage	230 V~ 50 Hz
Nominal current	5.9 A
Power consumption (max.)	1350 W

Height	4.5 inch / 110 mm
Depth	7.9 inch / 180 mm
Width	17.7 inch / 450 mm
Weight	12.3 lbs / 6,9 kg
Size of original (max. width)	8.5 inch
Max. size of carrier (width)	9.25 inch
Colour	black
Special features	
Cooling	Dual fans
Easy Cleaning	Add. Manual feed switch
Safety	CE-certification automatic overheat protection rotation-control (April 2007)
Power-cord incl. grounding	included
Design	Metal case, powder-coated, microprocessor control

Supplies:- Thermal type 'D' Purple transfer units (box 100)
Reusable heat resistant carriers

Note:- For best results use black photocopied originals
